10. [REDACTED] LIAISON Called Mike O'Neil, Chief Counsel, House Permanent Select Committee on Intelligence, and told him of the problem we are having with the staff of the House Select Committee on Assassinations. I told him that we were planning to have the Director send a letter to Chairman Louis Stokes (D., Ohio) and that a copy would be furnished to the Permanent Select Committee. O'Neil said he would like to be briefed more thoroughly on the matter when that letter was delivered.

11. [REDACTED] BRIEFING Mike O'Neil, Chief Counsel, House Permanent Select Committee on Intelligence, called and asked that we arrange to brief the Committee on the Kampiles affair. He asked that the briefing be tomorrow morning and Representative Romano L. Mazzoli (D., Ky.) would be the only member present. At the close of the day, O'Neil called back to say that Mr. Mazzoli could not make it and, therefore, the meeting was canceled. He indicated that they would want such a briefing when they could get members present. He also asked that we furnish, for their permanent use, a copy of the document Kampiles is reported to have given the Soviets.

12. [REDACTED] BRIEFING Pete Bonner, Senate Appropriations Committee staff, called to say that he did not have much more information concerning the trawler incident on which Senator Ted Stevens (R., Alaska) is to be briefed tomorrow. Spencer Oliver, is on leave at the present. I related this to [REDACTED] NFAC/CSS.

19. [REDACTED] LEGISLATION Spoke with Mr. George Gilbert, OMB, Office of Legislative Reference, who informed me that Justice has not yet been able to comment on CIA proposed amendments to the Federal Tort Claims Act (S. 3314). Mr. Gilbert did, however, state that Justice does not believe the bill has a chance of passage this session. This merely confirms earlier similar reporting from our sources on the Hill.

I informed Ms. Zauder the need for proper identification to start search of Agency records and that the search would take approximately six to eight months depending on what, if anything, was located.
